Transfer data last updated 03/23/2017

Note: Transfer is based on the first 4-year institution attended following the completion of 12 units at WHCCD. A student earning multiple degrees or certificates will be counted for each award.

Students must complete transfer level English, and 1 level below transfer math to satisfy the requirements for an associate degree.

* English placement is based on writing assessment scores.
Placement results based on placement exams administered prior to the start of priority at WHCCD registration.
GPA and Success and Course Completion data is based on each cohort's full academic history; (i.e. data for 2007 graduates covers fall 2007-present, while data for 2012 covers fall 2012 to present)
Notes and Definitions

**Student Privacy**
In order to protect student privacy, student counts have been suppressed for data elements where fewer than 10 students are reported. The † symbol is used to indicate years where data have been suppressed. School officials may request unmasked data, for internal use only, using the contact information at the bottom of this page.

Success Rate = the number/percent of students who earn a grade of A, B, C, or CR in the class. Course grades of NC, D, F or W are considered to be unsuccessful.

Course Completion (Retention) Rate = this is a measure of the number/percent of students who remain in the course after the census date until the end of the term. Students who withdraw after census date receive a grade of “W”.

Transfer Student = A student is counted as a transfer student if he or she has completed 12 or more units at West Hills prior to transfer to a four year institution.

High school graduate totals obtained from California Department of Education.
All other data obtained from WHCCD Data Warehouse.
