Student Privacy
In order to protect student privacy, student counts have been suppressed for data elements where fewer than 10 students are reported. The † symbol is used to indicate years where data have been suppressed. School officials may request unmasked data, for internal use only, using the contact information at the bottom of this page.

Success Rate = the number/percent of students who earn a grade of A, B, C, or CR in the class. Course grades of NC, D, F or W are considered to be unsuccessful.

Course Completion (Retention) Rate = this is a measure of the number/percent of students who remain in the course after the census date until the end of the term. Students who withdraw after census date receive a grade of “W”.

Transfer Student = A student is counted as a transfer student if he or she has completed 12 or more units at West Hills prior to transfer to a four year institution.

High school graduate totals obtained from California Department of Education.
